Ask. Advise. Assess. Connect to Quit.

Have you heard?

The Maryland Quitline now offers specialized services for pregnant women!

That's right. Pregnant tobacco-users who are ready to quit can receive **10 FREE** telephone-based quit counseling sessions—both before & after childbirth—to help prevent postnatal relapse to tobacco use.

Connect pregnant tobacco-using patients directly to the Maryland Quitline using MDQuit's Fax Referral program. It's free. It's effective. It's simple.
